

MEDIAN FAMILY INCOME

In the most elite ZIP Codes (as of 1960, in today's purchasing power)

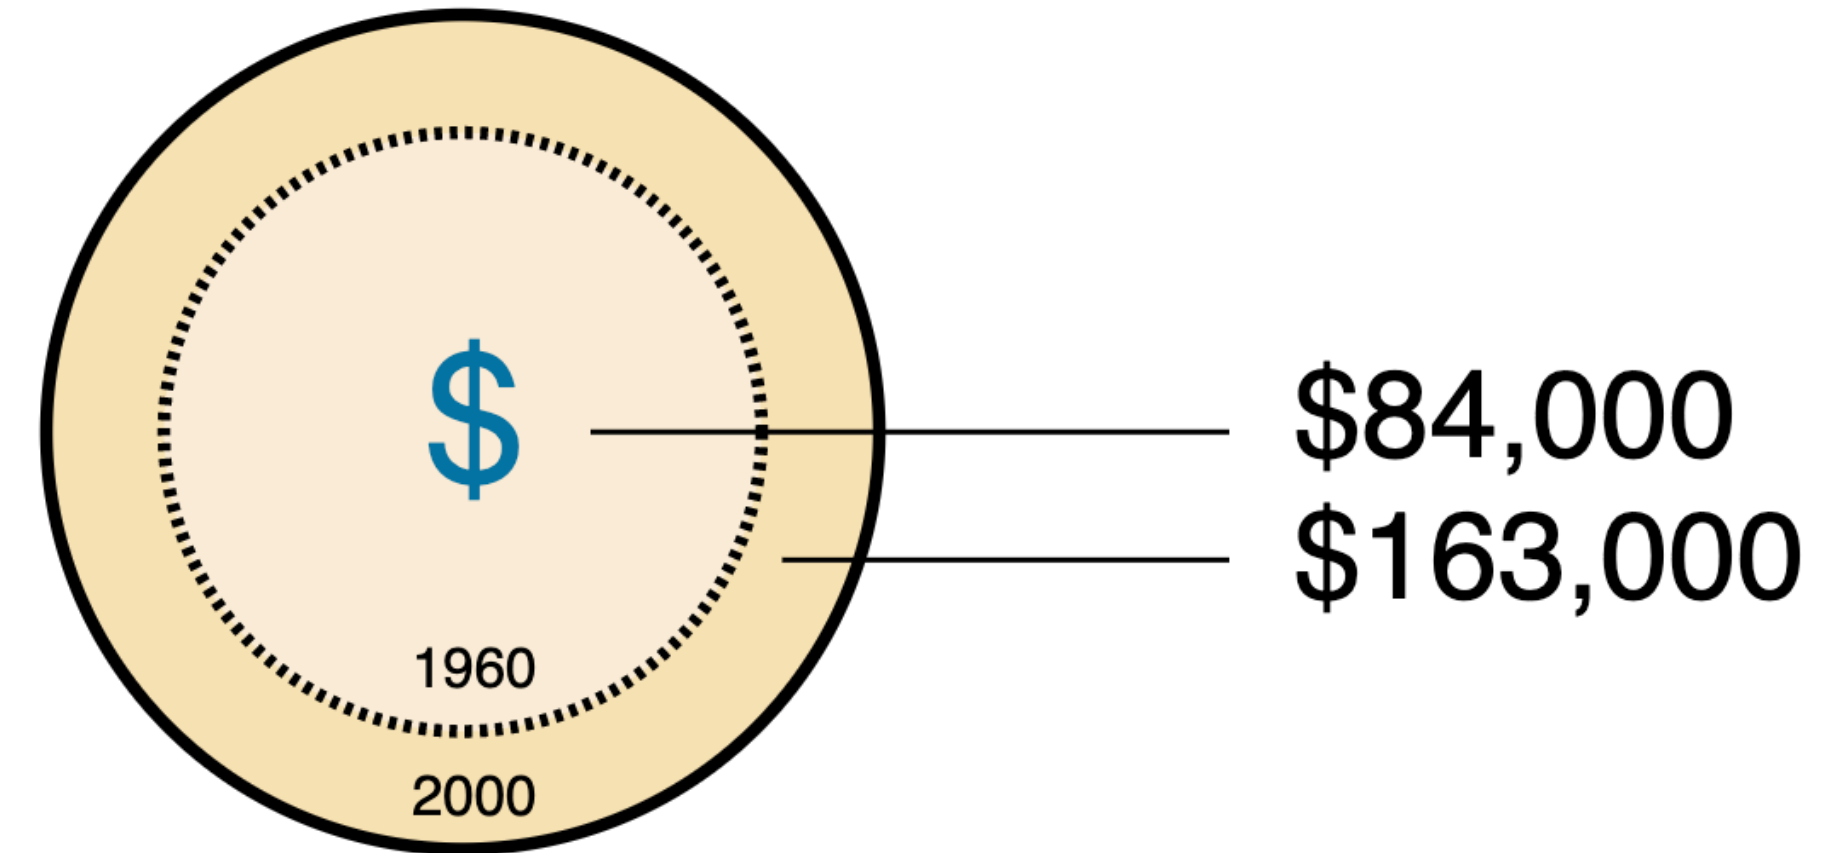

1)

This is a BAD visualization.

The AREAS representing the data are MISCALCULATED
as the proportion of the values is not respected.

MEDIAN FAMILY INCOME

In the most elite ZIP Codes (as of 1960, in today's purchasing power)

2)

We can recalculate the areas
to obtain the right data proportions.
